

REDDAM HOUSE DURBANVILLE

ONCE AGAIN CLAIMS TOP CAMBRIDGE INTERNATIONAL ACADEMIC AWARDS ON GLOBAL STAGE

Reddam House Durbanville have further cemented their reputation for academic excellence, after claiming a host of accolades at the "Outstanding Cambridge Learner Awards", following the announcement of the November 2018 examination results. The awards are issued by Cambridge International in recognition of exceptional student achievements around the world and have seen the school distinguish itself on a global stage.

At Advanced Subsidiary Level (Grade 12 final school results), Reddam House Durbanville placed Top in the World for Language and Literature in English AND Top in the World for Mathematics, while in Chemistry and Geography, the school was placed Top in South Africa.

In the (International General Certificate of Secondary Education) IGCSEs, the following awards were received by students at Reddam House Durbanville, achieving Top in the Country for Biology, History and Physics and the prestigious award for First Place for Best Across the Country in 8 IGCSE results.

Added to this prestigious list of awards, we congratulate Konstantina Gennarakis for High Achievement in IGCSE Foreign Language Greek which she wrote in June 2018 as a private candidate.
