The Ultimate Expression of Excellence

2017 proved to be one of the best IGCSE achieving years.

40 students wrote these examinations in November of 2017.

137 subject distinctions with 15 students achieving an A aggregate average

12 subjects achieved an over 70% average. This from a total of 14 subjects on offer.

We had some firsts in the school's history, with a 100% for AS Level Mathematics achieved by Sihle Calana and a very close 99% at AS Level Mathematics achieved by Ethan Hendricks.

Reddam House Durbanville congratulates our top achievers and salutes those students who, together with superb teaching, strove to attain their personal best and can be so proud of their exceptional results.

Congratulations to the matric class of 2017. We wish you abundant success, inspiration, fulfilment and happiness.

To our Grade 11 students who have excelled in their IGCSEs, we wish you the very best with your AS Level studies.
